

## DEFINITIONS

**Harvest Plan:** This is the proposed plan for logging that is available for public comment. This is referred to as a ***polygon*** in the Harvest Plan Map Viewer.

**HPMV:** Harvest Plan Map Viewer

**Polygon:** In the HPMV tool harvest area plans are also referred to as *polygons*

---

## HOW TO SUBMIT A COMMENT ON A HARVEST PLAN

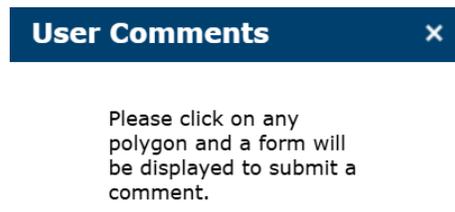

1. Go to <https://nsgi.novascotia.ca/hpmv/>
2. Read the popup “Disclaimer”
3. Select the checkbox  I agree to the above terms and conditions
4. Click 
5. Scroll to the **harvest plan** that you would like to submit a comment on. You can zoom in/out of the map using your mouse or touchscreen or you can use the buttons on the side menu:

6. Once you have located the harvest plan click the “User Comments” button on the side menu:

7. A notice will open that reads “ User Comments: Please click on any polygon and a form will be displayed to submit a comment.” Do **NOT** close this notice.

- With the “User Comments” notice still open, click on the harvest plan (polygon) that you want to comment on. In the example below we want to comment on Harvest Plan #AP022053:

- The User Comments form will open with the Harvest Area plan number (eg. AP022053), Name (optional), Email (required) and Comment box.

**User Comments**

Harvest Area: AP022053A

Name (optional):

Email (required):

Comment:

- When you have completed your comment click the “Authorization” button.

**AUTHORIZATION:**

By checking here, you acknowledge and provide consent that for the purposes of reviewing and responding to your comments, the Department of Natural Resources will disclose the comment and personal information (if provided) to the licensee responsible for harvesting the specified harvest area. Personal information which is collected on this form will be managed by the Department of Natural Resources in accordance with the provisions of the Freedom of Information and Protection of Privacy Act (FOIPOP Act).

- Click the “Submit” button to send your comments.

- The form will update to indicate that the comment has been received

**User Comments**

Your comment has been received.

- Close the User Comments window. You can then submit another comment or exit the HMPV window.
